**ADVANCED CLASSES**

SEPT 16  
OR OCT 29  
10 AM to 5 PM

## INTRODUCTION TO GLASS

WITH **Angela Casalino**

Discover the many glass techniques with a gallery tour, studio demonstrations and practical exercises.

COST: \$100

SEPT 23 - 24  
OR NOV 03 - 04 - 05

## FLAMEWORKING

WITH **Gérald Collard**

Observe and practice the basics of flameworking: shaping (beads, marbles), constructing (animals, sculptures), and tube blowing (balls, bottles).

COST: \$260 (2 DAYS)  
OR \$325 (3 DAYS)

OCT 14 - 15

## FLAMEWORKED BEADS

WITH **Chloé Charette**

Using advanced decorating techniques, create intricate beads, animals, flowers, and faces. Learn to integrate coloured glass murrine.

COST: \$270

NOV 04

## SANDBLASTING

WITH **Lisanne Lachance**

Learn the different steps of the sandblasting technique as well as proper use of the equipment and materials. Bring your own images to permanently engrave them on glass.

COST: \$115

OCT 07 - 08

## GLASSBLOWING & FLAMEWORKING

WITH **Cédric Ginart**

Photo: Benoît Daoust

While you practice and watch demonstrations, you will learn how to make simple objects with Pyrex rods and tubes.

COST: \$260

SEPT 16 - 17  
OR OCT 13 - 14 - 15

## GLASSBLOWING I

WITH **Marie-Hélène Beaulieu (SEPT)**  
WITH **Julien Mongeau (OCT)**

Observe and practice the basic technical steps of glassblowing to create decorative pieces.

COST: \$300 (2 DAYS)  
OR \$380 (3 DAYS)

OCT 21 - 22

## KILN WORKING I

WITH **Catherine Labonté**

Discover the elementary steps of the kiln working technique. Learn to slump and fuse sheets of glass to create original objects.

COST: \$230

NOV 11 - 12

## PAINTING ON GLASS

WITH **Jean-Marie Giguère**

Discover the different vitreous pigments and explore image transfer using *Lazertran*. Create your own personal projects on sheet, kiln-worked or blown glass objects.

COST: \$200
