

Registration Conditions for the Weekend Classes

A minimum of 6 to 8 participants is required for most classes, except for the introduction to glass class which requires 8 to 14 participants, cold glass techniques with 4 to 6 participants, lost wax and *pate de verre* which requires 5 to 6 participants. If the minimum of participants is not met, Espace VERRE reserves the right to cancel the class. All classes paid in advanced will be reimbursed. The participant will be informed if the class is cancelled at least one week in advance (the Monday before the class or as soon as possible). Another date could be suggested according to our schedule. Espace VERRE reserves the right to prioritize new registrations for some classes.

If a participant wants to cancel their registration, he/she must promptly advise us, as to give us the time to find another participant. A cancellation can be made by phone or by email during our regular office hours. Please note, there will be no reimbursement, whatever the reason, for any same day cancellation or any days of absence during the ongoing days of the class. All payments must be made in full. All approved reimbursements will be sent by bank transfer within the week following the cancellation.
